

MIXER

M 1200 D

ADVANTAGES

- Mixer with powerful 1200W continuous duty S1 motor for mixing paint, resins and building materials such as plaster or cement.
- 6-speed electronic variable speed drive to adapt to the volume and density of the material to be mixed.
- Ergonomic handles for easy operation over long periods of time.
- Easy locking of the switch for prolonged work.
- Strong, lightweight aluminium body ensures long tool's life.
- 2 mechanical speeds for maximum torque, suitable for all types of liquid materials, densities and viscosities.
