

## DESCRIPTION

The PSP 15-590 Cut Protect D, IP Pro is a cut-resistant glove with a 13G HPPE liner without glass or steel. The palm has a special nitrile foam coating and therefore it's extremely suitable for working in oily and wet conditions. This special nitrile foam coating has an extremely high abrasion resistance, what you can expect from this robust glove.

The TPR Impact Protection (IP) on the back of the glove protects your hand and fingers against impact and impact from the outside. This makes this glove extremely suitable for demolition work, work in offshore and (scaffolding) construction, where high protection is required. Furthermore, the glove is provided with a water and dirt-repellent coating. This keeps your hands clean and dry for a longer time. The extra long cuff provides a higher protection on the wrist.

Article PSP 15-590 has been tested and certified in accordance with the European Regulation (EU) 2016/425 and the EN standards EN420 / EN388:2016, including the international ANSI standards.

## CHARACTERISTICS

- ▲ Cut resistance according to ISO 13997: D
- ▲ 13G HPPE liner (without glass or steel)
- ▲ Nitrile foam coating
- ▲ TPR impact protection (P)
- ▲ Water and dirt resistant coating
- ▲ Extra long elastic knitted wrist
- ▲ Breathable
- ▲ Good grip in oily and wet circumstances
- ▲ Multifunctional
- ▲ Good dexterity
- ▲ Excellent abrasion and tear resistance
- ▲ Certifications according to: EN420 / EN388:2016 and ANSI standards

## CERTIFICATIONS

 CAT II	EN 388:2016	Abrasion resistance = 4	Cut ISO 13997 = D
		Blade cut resistance = X	Impact protection: P
	4X43DP	Tear resistance = 4	
		Puncture resistance = 3	

Cut ISO 13997: The letter A to F indicates the cut resistance according to ISO 13997. X = Control not performed or not applicable

Impact protection: P, Protection against impacts

## APPLICATIONS

Offshore | Demolition work | Scaffolding | Construction |  
Assembly | Road and hydraulic engineering | Steel industry |  
Transport and logistics | Chemical and petrochemical industry

Allround precision work

Allround finger sensitive

Allround heavy duty

Oil protection

Liquid protection\*\*

Cut protection

\*\*Note! The degree of protection depends on the coating used.

## PRODUCT INFORMATION

<b>Material</b>	Liner: HPPE (without steel and glass fiber) Coating: Nitrile foam Back impact protection: Thermo Plastic Rubber
<b>Color</b>	Grey - Black - Blue
<b>Length (mm)</b>	220-260 Depends on the size
<b>Cuff</b>	Extra long elastic knitted wrist

## ORDER DETAILS

Size	Item number	Packing Unit
07 / S	2.01.15.590.07	6 x 12 (72 pairs)
08 / M	2.01.15.590.08	6 x 12 (72 pairs)
09 / L	2.01.15.590.09	6 x 12 (72 pairs)
10 / XL	2.01.15.590.10	6 x 12 (72 pairs)
11 / XXL	2.01.15.590.11	6 x 12 (72 pairs)
