

DESCRIPTION

The PSP Insulator Blue Knitted PVC Dot 20-079 is a knitted insulator working glove of 13G knitted fabric made of thermal acrylic, which meets the general requirements for protection against cold. This glove has been equipped with blue PVC dots (REACH compliant) to provide anti-slip and as a result also a better grip.

The material provides very good thermal insulation and keeps the hands at body temperature (37 degrees). The thermal protection is enhanced by the tightly fitting cuff.

Article PSP 20-079 can also be worn well under other gloves.

CHARACTERISTICS

- ▲ Knitted thermal acrylic
- ▲ 13 Gauge
- ▲ Keeps hands at body temperature (37 degrees)
- ▲ PVC dots for a better grip
