Product name: Kelfort® Worlight hybrid LED

Isseud by: IM	Confirmed by: DB
---------------	------------------

The product: The Kelfort® Worlight hybrid is a work light that is ideal for construction sites. The work light is a hybrid model and can be powered by either mains power or its built-in battery.

The application: Thanks to the 360-degree light distribution, the room is evenly lit. The built-in battery automatically takes over in the event of a power outage. Installation is possible using hooks, wall mounts, or a tripod. The tripod is sold separately, item numbers 1524342 (3 m) and 1524343 (2 m).

Features:

- USB-output, type C
- 5-meter cord
- Up to 10 hours of work time
- Light settings: 100%, 50%, and 20%
- Equipped with an additional output
