Product name: Kelfort® LED Rope green light 50M

Isseud by: IM	Confirmed by: DB
---------------	------------------

The product: The Kelfort® LED rope green light is a 50-meter-long rope that can be cut to length, and the cut sections can be reconnected using the separately available connection kit (item number 1524352)

The application: The LED rope is ideally suited for overhead use and can easily be extended to a maximum of 100 meters. The LED rope is supplied without the connection cord (item number 1527508), connection kit (item number 1524352), and end caps (item number 1524353). The green light is highly visible and ideal for marking routes, edges, and work zones. Green light is also less tiring on the eyes. The light tube must be fully unrolled before use due to the risk of fire.

Features:

- 800 Lumen per/meter
- Exclusive of connection cord (item number 1527508)
- Exclusive of connection kit for extending the light (item number 1524352)
- Exclusive of end caps (item number 1524353)

Delivery form:

Color: black

Pack quantity: 1 piece

Information on label: The Kelfort logo, article number, EAN-code, description and type

Length: 50m
