

## DESCRIPTION

The PSP Insulator Blue Knitted 20-078 is a knitted insulator working glove of 13G knitted fabric made of thermal acrylic, which meets the general requirements for protection against cold. The material provides very good thermal insulation and keeps the hands at body temperature (37 degrees). The thermal protection is enhanced by the tightly fitting cuff.

Article PSP 20-078 can also be worn well under other gloves.

## CHARACTERISTICS
