

QUICKBIT

SPADE BIT

Wood drill bit for blind holes and through holes.

PRODUCT DESCRIPTION

- For all applications in wood and wooden materials
- Fast and precise cutting thanks to specially hardened pre-cutters
- Extremely accurate pilot drilling without tear-out at the edge of the hole
- 1/4" hexagonal shank prevents the drill bit from slipping in the drill chuck
- Extra long dimensions, extension available
- Heller QuickBIT® system: perfectly tuned for use with cordless machines
- Ideal for cordless drills
