

SCREWDRIVER IMPACT HAMMER DRILL

PBL 70 L20
BRUSHLESS

ADVANTAGES

- 18V Screwdriver Impact Hammer Drill, with a lightweight and compact design, has a large tightening torque of 70 Nm and a powerful BRUSHLESS, brushless motor.
- Automatic metal drill chuck with 13mm safety lock.
- Clutch with 20 settings + 3 adjustment functions for tightening limit control. Torque limiter clutch, designed to release the gears in the event that the bit gets stuck, thus protecting the tool and the operator.

- 2 mechanical speeds for better torque.

Speed/Setting 1: Maximum torque up to 400 rpm for screwdriving, metal drilling, and hardwood drilling with large diameter bits.

Speed / Configuration 2: minimum tightening torque and maximum speed up to 2000 rpm for drilling materials and soft woods, with small diameter drill bits, and for hammer drilling construction materials.

- Powerful brushless motor that increases efficiency, significantly reducing heating and considerably increasing motor life and battery life.

- STAYER Li-ion HGH-TECH battery, L20 with protection against overcharging, battery discharge, overheating, short circuit. Charging indicator LED.

- Light indicator with LED in working area.

- Greater power
- Lower weight
- Longer duration
- Less breakdown
- Greater autonomy
