Product name: Kelfort® Light Strip 25M 48V

Isseud by: S.K.	Confirmed by: W.B.
-----------------	--------------------

The product: The Kelfort® Light Hose is a 25-metre long hose that can be shortened per meter. The light hose provides 48V by means of a built-in inverter in the connecting cable. The connecting cable is included in the packaging.

The application: This LED light hose is ideally suited for use on construction sites. Its high light output per metre makes it the ideal orientation light. The hose may be cut to size, provided this is done at the indicated cutting markings. Always end with an end cap. (This article is available separately ref.no. 1524353)

Features:

- 900 Lumen p/m
- Connection cable included
- Exclusive end caps
- not extendable and the cut pieces are not reusable.

Delivery form:

Color: black/transparent

Pack quantity: 1 piece

Information on label: The Kelfort logo, article number, EAN-code, description and type

Product name: Kelfort® Light Strip 25M 48V

Technical data	1527511
Maximum power	9 Watt p/m
Class	II
Voltage	48 V
Protection Rating	IP65
Color Temperature	5000 Kelvin
Luminous Intensity	900 Lumen p/m
Color Rendering	CRI80
Length	25 m
Width	7 mm
Depth	15 mm
Weight	3,5 kg
Beam Angle	120°
Material	PVC
