COAST HP7R

Flexcharge system offers numerous charging options to suit your circumstances.

PRODUCT DESCRIPTION

The HP7R Flashlight is the ultimate light for any law enforcement official or serious professional by combining our Long Range Optic System with slide focus and a lightweight aluminum body. With our Flex Charge Dual Power system, this light harnesses either lithium or alkaline power and using a micro USB, you can recharge the batteries either in or out of the light. With high, strobe and low modes with the slide focus, this light is immediately adaptable to a variety of situations.

With Coast's commitment to quality, the HP7R Flashlight is impact resistant, weather resistant and its LED is virtually unbreakable. The HP7R Flashlight is backed by Coast's 5 year warranty against defects in materials and workmanship. Tested and rated to ANSI/FL1 standards.
