Product: Kelfort® Headlight 5+3 W

Issued by: D.B.	Confirmed by: V.H.
-----------------	--------------------

The product: The Kelfort® Headlight 5+3W is for professional craftsmen who want to work hands-free.

Applications: The rechargeable headlight allows hands-free work, thanks to the easy wave sensor. The strap can be adjusted to ensure a safe and comfortable fit. The lamp has a flexible COB that creates a wide beam angle of 230°, also because of the 2nd light source on the side, this headlamp has a more focused light output.

Benefits:

- Handsfree
- 2 light sources
- Wave sensor
