

# GP 80

**Product Type:**

General Purpose

**Recommended for:**

Durable hose for general industrial applications such as oil, hydraulic fluids, alcohols, aqueous solutions, acids detergents and chemicals.

**Resistant to:**

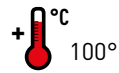

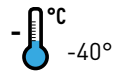

Oil, abrasion, weathering and ozone. Static conductive for increased safety.

**Construction:**

**Shape:** Straight  
**Tube:** Nitrile (NBR)  
**Reinforcement:** Textile Cord  
**Wire:** -  
**Cover:** NBR/PVC

**Standards:**

**SAE Norm** -  
**Din Norm** -

**Temperature:**
