

CORDLESS NAILER

NG 06 L20 BRUSHLESS

ADVANTAGES

- 18V cordless nailer with a powerful brushless motor.
- Lightweight and easy to handle, reducing fatigue during prolonged use.
- STAYER Li-ion HGH-TECH L20 battery with protection against overcharging, over-discharging, overheating, and short circuits. LED charge indicator.
- Convenient clip for hanging the tool on your belt between jobs.
- For 0.6 mm pin-type headless nails.
- Dual safety system:
 - Tip sensor prevents accidental firing.
 - Manual lock.
