

Workshop cabinet – BL 3D 560x570x400 C ...

Huvema

K4

Description

This chest of drawers from Huvema BLUE-LINE is ideal for protection and storage of small materials. The compact dimensions of the cabinet make it easy to place it anywhere in the workshop without obstructing it. The drawers open silently and easily thanks to ball bearings. Tilting is prevented by the fact that only one drawer can be opened at a time. Drawers can be pulled out by up to 98% for easy handling and storage of small tools at the back of the cabinet. With different slots on the sides of the drawers, you can arrange the inlays as you wish. Each drawer has a loading capacity of 80 KG, with central locking.

Features

- with metal inlays
- plastic inlays available
- welded steel construction
- powder coating
- central locking
